Junior Membership

We are always keen to develop and promote a thriving junior membership and to help us do that, there may be occasions when it would be beneficial to take pictures of our junior members playing, or participating in coaching sessions, which we can then use for promotional purposes - both on our website and as part of any news items sent to the press and other media.

We therefore ask all parents of junior members to consider that they are happy for us to do this, provided the picture is taken by a member of the club committee, or somebody appointed by the committee.

We will assume that you are in agreement UNLESS YOU INDICATE OTHERWISE BY TICKING HERE:
