

inspire2coach Club Challenge

On Saturday 29th November, Belbroughton Tennis Club Juniors travelled to Ludlow Castle Tennis Club to play a series of friendly matches and to meet their contemporaries.

Fourteen Belbroughton players of varying ages made the trip to see which club would come out on top and which coach therefore would end the day with bragging rights over their inspire2coach colleague.

Players competed in mini-tennis red, orange and green matches as well as yellow ball matches for the older players. Each of the matches was well contested with players of both clubs competing fiercely to hold up their club's honour. Each match was worth a point towards the team's overall score. The final outcome was very close and ended 16-15 with Ludlow just shading it by a single point! Bragging rights on this occasion went to Richard Tennant Head Coach of Ludlow Castle Tennis Club. Zoe Ashman coach of the Belbroughton team will no doubt therefore be looking for a repeat very soon match to get revenge!

It was a highly enjoyable event with the players of both teams gaining a great deal from what was a very competitive match. Both clubs very keen indeed to repeat the whole experience with a wider variety of local clubs.
